MHM Marine Teams up with United Yacht Sales on their Chaos Boats line

Bladenboro, NC (October 7, 2011) MHM Marine is proud to announce that United Yacht Sales will now be offering our Chaos Boats line. United Yacht Sales is one of the largest yacht brokerage firms in North America with over 100 brokers located in 15 states and 2 Canadian provinces. United Yacht Sales has a dedicated sales team with independent experienced brokers with an average of 15 plus years on the marine brokerage side. Being able to offer their customer's a tender without having to shop somewhere else gives their customer a true royal experience.

"United was looking for a higher end tender to offer to their customer and we were looking to grow our FL market along with other areas. It makes a perfect fit for both of our companies." says MHM Marine owner, Heather Vickers. With a strong presence at the major marine boat shows, United Yacht Sales has the proven sales and customer service track record. This will be a direct reflection on both companies being able to expand market share throughout the U.S. and abroad.

Chris Cooke of United Yacht Sales Corporate Headquarters located in Stuart, FL and MHM Marine's FL Representative, Gretchen Jenkins, will work together to oversee this new business model. We look forward to working with United Yacht Sales and a long business relationship. For further information on the complete line of boats that MHM Marine offers, contact MHM Marine, P.O.
