

BOAT SHOW NEWS – FLYING HIGH AT THE 2011 FORT LAUDERDALE BOAT SHOW

- We are very excited to kick off the boat show season with United Yacht Sales. We teamed up with United Yacht Sales to represent Chaos Boats for the in water display at FLIBS.

CHAOS BOATS AT THE SHOW

Along with the Chaos 16 Bonefish, customers were able to view our Chaos 21 Tarpon Bay featuring a teak helm pod. There was a tremendous increase in traffic compared to last year despite the huge amount of rainfall and gusty winds. Didn't make it down to the docks to see us due to the rain? No problem. Just let us know so we can arrange a demo or walk-through of either model or get on our email list to be notified of the next event we are attending or Chaos Boats with United Yacht Sales Demo Days.

NEWSLETTER SPOTLIGHT

Smith Optics are the Official Eyewear of Chaos

Smith Optics is the official sunglasses of Chaos Boats. After testing out several brands, we felt Smith's sunglasses were the right choice for us. With their unique technology design and smooth lines, it put us in mind of our Chaos Boats. They are not your typical mainstream eyewear. During the International Fly Tackle Dealer show, Smith Optics' Chief sunglasses were awarded the Best Eyewear. Visit www.smithoptics.com for more information

MHM Marine Launches New Line of Boats

- We launched three new models under the Savannah Boatworks line. These new models are a hybrid version of a flats and bay boat combined made of 100% composite materials. The first model of this new inshore series is the Savannah 1900 measuring 18 feet 10 inches with a beam of 7 feet 6 inches and rated for a maximum horsepower of 115. The Savannah 1900 features a snow white hull color with a webbed interior finish. Some notable features on the Savannah 1900 includes a 6" pull up bow cleat, 50 quart center livewell, 36 gallon under floor aluminum fuel tank, console with storage and 6 vertical rod holders and 36 quart cooler seat. This design offers plenty of fishability with the v-entry hull shape and large forward and aft casting platforms. Anglers can keep their gear in the large forward storage compartment that is apart from the anchor compartment and the two (2) aft storage boxes. This line of boats offers the everyday angler the appeal and water capabilities along with quality but at an affordable price. The 1900 will be followed by a 1700 and 2200 model. For more information visit www.savannahboatworks.com.

DEALER NEWS

Chaos Boats Teams Up with United Yacht Sales

MHM Marine is proud to announce that United Yacht Sales will now be offering our Chaos Boats line. United Yacht Sales is one of the largest yacht brokerage firms in North America. United will be able to offer their customer's a tender making a one stop shop for an easier transaction. This will be a direct reflection on both companies being able to expand market share throughout the U.S. and abroad.
